

**EXECUTIVE STYLE  
PROPERTY**

**4/57-59 Macleay Street Potts Point NSW**

1 1 1

Starting from the artistic secure entrance way, to the architecturally fascinating apartment foyer with Japanese wallpaper lighting, once you step across the copper threshold to this apartment, you know you are in a truly unique and creative space.

The hallway greets you, with brick feature entry wall, high ceilings throughout and dark original timber floorboards. A striking metal framed opaque glass bedroom wall conceals a voluminous, quiet space with extensive built in robes and feature arch window.

The open plan living area has a full sized dining table (great for entertaining) plus a long kitchen with large mirrored splash back creating a heightened sense of space.
